The Director of Public Health,
Madras.

Sir,

Taken by L.A. for G.O. No. 674/39

As per the remarks of the Director of Public Health Madras, communicated with G.O.No. Ms. 1776 P.H., dated 30-9-1936, the maternity and Child Welfare scheme was introduced in this district with effect from 1-4-1938 in consultation with the Director of Public Health Madras, by the entertainment of eight midwives. The scheme was approved by him in his R.C.No. 6187 -M/38 dated 12-4-1938.

2. As the staff of the midwives was found too inadequate to afford maternity relief in all the important villages in the District, the District Board in its resolution

P.T.O.

No. 55 dated 10-3-1939 (copy enclosed) has sanctioned the provision for the entertainment of two additional midwives from 1-4-1939.

3. I request that the entertainment of two additional midwives, in the Maternity and Child -- Welfare Scheme, from 1-4-1939 may be sanctioned.

Forwarded.

There are already eight midwives in the maternity and child welfare scheme of the distfict but there is no Woman Medical Officer to take charge of the work and for medical examination and supervision of cases undertaken by them. Accordingly the Board has been repeatedly advised since 1935 to appoint a Woman Medical Officer owing to the very unsatisfactory work turned out by the midwives.

P.T.O.

A Woman Medical Officer should be appointed before further extension of work is undertaken.

95. Read-District Board Resolution No. 55 dated 10.3.1939 sanctioning provision for the entertainment of two additional midwives under the Maternity and Child Welfare Scheme during 1939- 1940.

Read also President's Ref. No. 897/A4/39 dated 19.3.39 requesting Government to sanction the entertainment of two mid--wives.

Read also Government Memorandum Np. 14793/ 1El P.H. dated 6.5.1939 agreeing with the remarks of the Director of Public Health, Madras, that there are eight midwives in Maternity and Child Welfare Scheme but there is no Woman Medical Officer to take charge of the work and that the District Board has been advised since 1935 to appoint a Woman Medical Officer owing to very unsatisfactory work turned out by the midwives and that a Woman Medical Officer should be appointed before further extension of work is undertaken.

Read also Office Note stating that the District Board will have to incur an annual expenditure of about Rs (1524/-) One thousand five hundred and twenty four, if a

Woman Medical Officer is appointed,

Read also Resolution No. 17 dated 26.6.1939 of the Budget Committee as follows:-

The Committee feels that there is no justification for the appointment of a Woman Medical Officer to supervise the work of only eight midwives. At present the District Health Officer is supervising the work of these midwives and there is no evidence now to say that the supervision of the work turned out by them is either inefficient or unsatisfactory. The Committee strongly recommends to the Board to urge on the Government to sanction the appointment of two more midwives provided for in the budget.

Resolution.

Board agrees with the Committee. Government will be addressed again.

Sir, Ref:-Memo.No.34114-1-E-2P.H., dated 30-8-39.

With reference to the Government Memorandum quoted above, I have the honour to state that I do not agree with the President, District Board that a Woman Medical Officer, Maternity and Child Welfare is not necessary. A Woman Medical Officer, Maternity and Child Welfare should be appointed as early as possible as the work of the midwives should be improved and placed under adequate supervision and as the women taken over for ~~EARE~~ care need to be medically

medically examined.

Sanction may be accorded for the appointment of two additional midwives now and the District Board informed that a Woman Medical Officer, Maternity and Child Welfare should be appointed as early as possible.
